Dear CSD Families,

CSD continues to strive for improvement in how we communicate with families. In that vein, we are excited to introduce the Campus Portal for Parents (CPP)!

The Campus Portal for Parents is a powerful, easy-to-use, secure communication tool connecting teachers, parents and students. Designed to help families stay up-to-date with their student's assignments, activities, attendance and academic progress, the Campus Portal for Parents is just a click away (<https://campus.csdecatour.org/campus/portal/decatour.jsp>). For all families with students in grades PK-12, access to demographic data, student attendance, and statewide assessment (i.e., CRCT) results will be available. Additionally, families with students in grades 6-12 will have access to assignments and grades for each class.

Individual usernames and passwords are necessary to access Campus Portal for Parents (CPP). Usernames and passwords must be picked up in person after presenting a **valid photo ID** (driver's license, state ID card, or passport). Parents will have the opportunity to obtain this information at the school-specific Open House/Curriculum Nights. After Open House/Curriculum Night, families can obtain access information from the Registrar (grades 6-12) or the Administrative Assistant (PK-5). Remember to present a **valid photo ID** at the school.

After the Open House/Curriculum Night at each school, the CPP will be "opened". Families may access the CPP via school and district (www.decatour-city.k12.ga.us) websites:

- PK-5 Under "Family Info"
- 6-12 and district Under "Quick Links"

CPP is a free service to parents and has the capability to run on any computer (PC or Mac) with Internet Explorer 5.0 or better, Firefox 1.0 or better, or Safari. If you have questions, you may contact the Registrar or Administrative Assistant at each school or email Heather Sutton, Student Data Coordinator, at hsutton@csdecatour.org.

Open House/Curriculum Night schedule:

Clairemont	Thursday, August 30	Winnona Park	Thursday, September 6

Sincerely,

Phyllis A. Edwards, Ed.D.
